## SOFTWARESTORE BUILDER TUTORIAL- How to Add Envato Details

With the SoftwareStore Builder app, you can add your Envato details for you to use in creating your stores. Envato is an online marketplace, where you can buy many kinds of digital assets, ranging from WordPress themes or plugins to audio and video footage you can use in your creative projects.

### To get started:

Click on the **Add Envato** tab on the SoftwareStore Builder dashboard then log in to your Envato account.

envatoaccount

Don't have an Envato Account yet? [Create Account](#)

### Sign in to Envato API

Your Envato Account gives you access not just to Envato API, but also to the other Envato Market sites listed below. They're stocked with everything from website templates to video files, graphics, plugins, audio files, photography and much more. So much to see, so little time!

Sign in with your Envato Account details and we'll take you back to Envato API.
